About Southern Magnolia Charities

Southern Magnolia Charities is a non-profit 501(c)3 charity that was created in early 2018 by a group of individuals driven by the same purpose - to actively serve the people of the northern portion of the State of Georgia through fundraising events and donations, making philanthropic grants, and providing services or support that contributes to the health and vitality of the community.

With the help of our sponsors, homeowners, guests and partners, Southern Magnolia Charities has donated \$244,000 to 11 local charities since our formation through our signature events including the **Milton Tour of Homes** and **Comedy on the Green**.

2023 Charity Beneficiaries

Children's Development Academy (CDA) is a non-profit preschool providing high-quality early learning programs to children from low-income families. Located on a four-acre campus in the historic Groveway neighborhood of Roswell, CDA serves more than 200 children from families across the northern arc of Metro Atlanta.

Georgia National Cemetery Advisory Council's mission is to honor our Veterans and their spouses, both living and in memory of and to support the Georgia National Cemetery in areas that are not allowed by the Veterans Administration, including areas such as the entryway monument, flag and plaza and the major annual project of Wreaths Across America for the 27,000 Veterans and spouses that are buried in the cemetery.

Meals by Grace's mission is to bring food, hope, & transformation to children and families in need, with resources from our community so that children can go to bed HAPPY, not HUNGRY. They help families do more than just survive, they help them THRIVE! Last year, Meals by Grace distributed 482,490 pounds of food to 35,812 families and with the cost of food on the rise, the need is great.
